Scholarships for 2010

We have recently undertaken one of the most rewarding annual tasks, that of notifying the recipients of scholarships for 2010. Thanks to the continuing generosity of the many donors we are delighted to have been able to offer twenty-one scholarships to BC and one to BTI

Not all the news is about sport

The Music students of BC have also been distinguishing themselves with:

Lydia Hollister-Jones and Naomi Ludlow respectively winning first and second prizes in the college age section of the "Song for Life" contest, and "A Kiss Goodbye" participating in the Black Stump music festival in Sydney and having been invited to play at the UK's Spring Harvest Christian Festival at Easter 2010
