

International Students Health and Travel Insurance:

Most students are not entitled to publicly funded health services while in New Zealand unless they are:

- a resident or citizen of Australia
- a national of the United Kingdom in New Zealand: or
- the holder of a temporary permit that is valid for two years or more.

If you do not belong to one of these special categories and you receive medical treatment during your visit, you will be liable for the full costs of that treatment.

The New Zealand Ministry of Education requires all international students to have sufficient health and travel insurance that will cover the cost of medical treatment in New Zealand for the duration of your stay, and repatriation should you need to be returned home.
